April 2003

Dear Colleague,

Family Service Coordination is one of the underpinnings critical in early intervention services. Since the challenge of family service coordination can sometimes be daunting, this packet has been provided to you, as an Infant/Toddler Coordinator, to share with your staff. The information about appropriate practices in family service coordination should assist you and your staff in providing optimal early intervention services.

We hope you will find that the packet contains helpful information. After you have examined the packet, please complete the enclosed evaluation and return it to us at the address on the form or complete the evaluation online at: <https://www.surveymonkey.com/s/FB5B3NW>. Thank you for your interest and your efforts toward the development of quality services and programs for young children and their families.

Sincerely,

David P. Lindeman, Ph.D.
KITS Director

Kansas Inservice Training System is supported through Part C, IDEA Funds from the Kansas Department of Health and Environment.

The University of Kansas is an Equal Opportunity/Affirmative Action Employer and does not discriminate in its programs and activities. Federal and state legislation prohibits discrimination on the basis of race, religion, color, national origin, ancestry, sex, age, disability, and veteran status. In addition, University policies prohibit discrimination on the basis of sexual orientation, marital status, and parental status.

Family Service Coordination Packet Evaluation

This packet has been developed as a resource to enable you to understand the issues of family service coordination in the Part C (Infant-Toddler) system. The packet contents were chosen based on your requests and needs assessment results. We would like you to evaluate how helpful this packet has been for you. Please respond to the following questions and return this form to us at the address below.

Please check the sections of the packet that you found **most helpful**. In the space provided briefly tell us how or why each section was helpful to you.

Framework Strategies Problem-Solving Approach Resources/References

Please identify why each part you checked was helpful:

Please check the sections of the packet that you found were **not helpful** to you. Then in the space provided, briefly tell us how or why each section was of little use to you.

Framework Strategies Problem-Solving Approach Resources/References

Please identify what about this section(s) made it of little use:

Please tell us what was not available in the packet that would have been helpful to you:

Please describe how you plan to use the information in this packet:

Other comments or suggestions for future packets:

Thank you for completing this form and returning it to us!
