620-421-6550 ext 1651, resourcecenter@ku.edu, kskits.org/ecrc/

The KITS Early Childhood Resource Center is a lending library designed to provide access to a continuously updated collection of materials on topics related to children who are identified with special needs. Included in the holdings are resources for implementation of developmentally and individually appropriate practices in natural and inclusive environments, appropriate and diverse evaluation and assessment instruments, evidence based curricular materials for preview, professional materials and staff training materials and research summaries. The resources are available to any person who works with young children and their families in the state of Kansas.

To access the resources related to Transition Part C to B, go to www.kskits.org/ecrc. The online catalog can be searched through a variety of terms. On the upper part of the page, you will see a search box. The easiest way to use the search is by keyword, title, or author. Keywords used for transition would be Transition 3 -5, Transition Part C to B, or Transition Early Intervention. Typing only Transition will result in resources relating to transitioning from activity to activity. If you find you need assistance, please contact the ECRC at resourcecenter@ku.edu or 620-421-6550, ext. 1651.
